2. Annual commitment

The Customer commits to a minimum annual spend of USD 480,000 across the categories listed in section 1. Achievement is measured on invoiced value net of returns and credits.

Where the commitment is not met by the end of the agreement year, the Supplier may re-rate the year at the tier actually achieved and invoice the difference, or carry the shortfall into a renewed agreement at its discretion.

3. Ordering and delivery

Orders are placed against this agreement by quoting the agreement number. Standard delivery terms and lead times apply. Stock is held at Memphis TN for next-day delivery to the Customer's Seattle and Tacoma sites.

4. Price protection

List prices covered by this agreement will not increase during the first two quarters. Thereafter the Supplier may pass through documented raw-material increases with 30 days written notice.

5. Reporting

The Supplier will provide a quarterly statement of volume by category, tier achieved and the projected year-end position, within ten working days of each quarter end.

6. Confidentiality

The pricing in this agreement is commercially confidential to the parties and may not be disclosed to any third party without prior written consent.

7. Termination

Either party may terminate on 90 days written notice. Orders accepted before the termination date will be fulfilled at the agreed tier price.

8. Entire agreement

This agreement, together with the Supplier's Terms and Conditions of Sale, forms the entire agreement between the parties in respect of its subject matter.
